

POTASSIUM THIOCYANATE

BASIC INFORMATION

Synonyms	Potassium Sulfocyanate, Potassium Rhodanide, Rhocya
CAS Number	333-20-0
Chemical Formula	KSCN
Molecular Weight	97.18

COMPOSITION

Appearance	Colourless , Deliquescent Crystals .
Assay (As KSCN)	Minimum 98.0% on Dry Basis
Solubility	Soluble in Water; the solution is clear & colourless

MAXIMUM LIMITS OF IMPURITIES

Moisture	1.0%
Chloride (Cl ⁻)	0.05%
Sulphate (SO ₄)	0.10%
Iron	0.005%

PACKING

25 / 50 kg Bags With Inside Polythene Liner

Given above are our standard specifications. In case you have any additional requirements or have a more stringent limits of above parameters or for any other information contact
